Trimmers Affected: Only the model numbers shown above, and certain serial numbers, 1K229DG1599 through 1L049DH1017 (manufactured between November 22, 2019 and December 4, 2019), are included in the recall. The second through fifth characters of the serial number identify the manufacturing date. The second character is the month with A=January, B=February, C=March etc. The third and fourth characters are the day of the month. The fifth character is the last digit of the year of manufacture (e.g. K229 = November 22, 2019). Trimmers which fall outside the affected serial number range are not affected and are OK to continue using.

Affected trimmers were sold between November 27, 2019 and January 24, 2020.

Hazard: Trimmer attachment head on product may continue to rotate after the throttle is released. If so, the moving attachment head may pose a laceration hazard.

What Consumers Should Do: Consumers should stop using the trimmer and call 1-888-848-6038 for further instruction on obtaining a replacement.

DO NOT USE AN AFFECTED TRIMMER

If you need assistance locating or reading the model or serial number of your trimmer, or have any other questions, call the Troy-Bilt Trimmer Recall Hotline toll-free at 1-888-848-6038 between 8:30 AM and 5:00 PM EST Monday through Friday
Or visit our websites http://www.mtdproducts.com or www.troybilt.com

In cooperation with the U.S. Consumer Product Safety Commission Post until 10/16/2020
